ENVIROGRAPH®

NATURE'S INK WASH

GENERAL DESCRIPTION

ENVIROGRAPH® is a natural solvent-based ink cleaner. It is designed for the removal of UV and Conventional Inks. This product will protect the fabric from deep stains or ghosting from the image print.

ADVANTAGES

- **Natural Solvent Based**
- **Renewable Material**
- **High Solvency**
- **Biodegradable**
- **Low Odor**
- **Non Toxic**
- **Non-flammable**
- **High load capacity to reduce usage**
- **Mesh Safe**

APPLICATION

Quick Tip:

Always pressure wash screen from the bottom and work upwards.

This will prevent ink from locking back onto the mesh when coming in contact with the rinse water.

1. Spray ENVIROGRAPH on both sides of screen.

2. Scrub screen with non-abrasive pad or brush.

3. High pressure rinse - starting at bottom.
