Feeling a breeze waft through your hair or the late afternoon sun beating down on you are the signatures of summertime. Fun in the sun is the one of the best things about the season, but this time of year can wreak havoc on your locks. Fighting frizz, beating brassiness, soothing damage and pumping up the volume are a few of the most common summer hair challenges. Luckily, the best new hair products are up to the task. Find a fast fix for your hair woe:

Shaeri Intense Care Mask
