The 25 Best Curly Hair Products of 2022

BY CHLOE METZGER, SHARLYN PIERRE, AND SARAH HOFFMANN September 5, 2022

If you're currently on the hunt for the [best curly hair products](#), you've come to just the right place. As beauty editors, we know there are a *lot* of options out there, so determining each step of your ideal routine can be tricky whether you want to [defrizz](#), define your curls, hit them with some [moisture](#), or give them a little lovin' after a super sleek blowout.

We combed through all the jams, jellies, puddings, custards, gels, and creams to come up with some of our favorite foolproof [products for curls](#). There's a bottle of something for everything here — loose 'fros, [crisp braids](#), bouncy ringlets, or [cropped coils](#). So, what are you waiting for?

Shampoo & Conditioner

Packed with nourishing [aloe vera](#), **Shaeri's Co-Wash** hydrates while gently refreshing and detangling the hair. Don't worry about overwashing fragile curls either — this co-wash is free of any cleansing agents, so use it as often as you like for a damage-free refresh.
