Searching for the secrets behind the best hair in Hollywood, we spoke exclusively to nine of the most sought-after celebrity stylists and colorists about their favorite products and tools. These hair gurus — who tend to the tresses of Jennifer Lopez, Julia Garner, Jared Leto, Madonna, Dakota Johnson, Margot Robbie, Miley Cyrus, Priyanka Chopra Jonas, Kristen Stewart and more — revealed the 20 products that they always carry in their kits.

### [Shaeri Haircare Spray](#)

“I recently discovered this naturally and ethically sourced line from a Moroccan creator, with prickly pear ingredients, and I have been loving the results,” says Forecast. “This leave-in styling moisturizer makes the hair look so much shinier. It seals and strengthens the follicles to make the hair easier to work with, smoother to the touch and the appearance.”
