# TOILET PROTECTION PURCHASE ONLINE \$39.95 BLUEVUEINC.COM

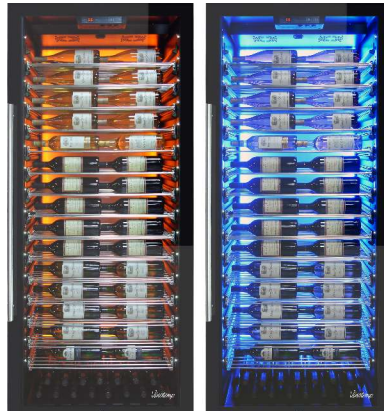

**TOILET ARMOR™** is an affordable way to avoid costly toilet and toilet seat damage that can lower your profit.

This **REUSABLE** and **WASHABLE** toilet cover is designed for contractors of all trades. It is made of high-quality thick, durable fabric coated with polyurethane, and features a slip-resistant top with a strong grip made of rubber. Toilet Armor is double stitched and reinforced to ensure a long life.

Show that you care and respect your customers by safeguarding their toilet. They will be impressed by your professionalism. Toilet Armor is a premier choice among professional contractors because of its quality materials and affordable price.

Toilet Armor patent is pending

## NEW PRODUCTS

### WINE COOLERS

Designed to add a new level of wine storage functionality and style to any kitchen design, **Vinotemp** Private Reserve Series Wine Coolers feature patent-pending interior lighting, including three different LED options, and patent-pending stainless steel gliding wine racks that cradle bottles so the labels of the wine stored are front facing. Circle No. 220 on Product Card

### CONCRETE PLANKS

Vintage Ranch, **Eldorado Stone's** interpretation of reclaimed barn wood, was designed as a panelized system for a quick and easy installation process. The planks are made of lightweight concrete and carefully hand painted to display the patina of weather-worn boards, and are available in four color finishes: Saddlewood, Foxwood (shown), Parchwood and Doverwood. Circle No. 221 on Product Card

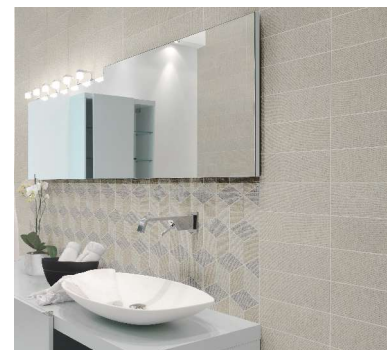

### CUSTOMIZABLE BATH FAUCETS

The Momenti collection, new from **Riobel**, enables consumers to choose between two spouts, four handles and seven finishes. The Momenti collection includes several sink faucets and tub filler options, and various combinations for showers. An array of matching accessories completes this selection, including towel bars, paper holders and towel rings. Circle No. 222 on Product Card

### FABRIC-LOOK TILE

A plain weave fabric that includes semblances of interlacing fabric strands and subtle nuances of pattern shift is brought to life in **Florida Tile's** Wexford Collection. The company uses proprietary High Definition Porcelain technology to deliver this tile, which features a soft appearance and delicate texture. Circle No. 223 on Product Card

### LED PIXELS

Pixels from **WAC Lighting** are flexible, modular, customizable LED sheets that illuminate surfaces via a flexible, paper-thin, modular and scalable product. Offered in 12"x24" LED sheets with an ultra-thin 1/8" profile, Pixels mount to curved or flat surfaces by tacking, stapling or using 3M adhesive on the back. The luminaires are 0-10V dimming while delivering a 90 CRI, and are available in five color temperatures. Circle No. 224 on Product Card
