Kitchen & Bath Business | What's Cool Everywhere Else & Happenings

Touted for its high-performance burners, large control knobs and numerous convection modes, the Brama 30-Inch Gas Range is highlighted in the popular trade publication's "What's Cool Everywhere Else" products feature. And, Vinotemp's move to Nevada is also included in the issue's "Happenings" feature.

AUDIENCE: Magazine (print & digital) | 205,000

"The magazine delivers exclusive features on cutting-edge design installations, new products, business developments, industry personalities, best practices and solid market research. Kitchen & Bath Business was the first trade magazine for the kitchen & bath industry, is the exclusive sponsor of KBIS and continues to provide progressive and insightful coverage of the industry's products, trends and services, with a sophisticated visual style befitting a design-oriented readership."

1. **SAMSUNG** is expanding its champagne finish to select, fully redesigned, top-load washing machines and dryers. The finish will be available in washing machine model WA54R7600, along with the matching electric and gas dryers, DV54R7600 and DV354R7600. In addition to the new finish offering, the WA54R7600 Top-Load Washer features an extra-large capacity and Super Speed, a setting that will wash a full load of laundry in 36 minutes without sacrificing any cleaning performance.

3. **LG HAUSYS'** Vatera quartz surface is introducing six new colors to its Masterpiece and Musica collections. Joining Vatera's Masterpiece Collection are Mica and Umbra (shown here), and Dolce, Melody, Tenor and Basso have been added to Vatera's Musica Collection. Like all Vatera colors, each new one is comprised of 93 percent quartz.

7. **FORZA** is introducing the industry's only blue-flame double broiler, MassimoBlu, for its Pro-Style gas ranges. With its maximum coverage area, MassimoBlu ensures that food is cooked evenly throughout the oven cavity, eliminating the cold spots that traditional infrared broilers leave. Because of its "chessboard" design, flames are directed through dozens of small holes that provide superior broiling and distribute uniform heat.

8. **SCHLUTER SYSTEMS** is introducing four new metallic finishes for its Schluter-KERO-DRAIN point drains: nickel, rose gold, vintage gold and classic gold. These finishes are now available on all four patterns of Schluter point drains - Pure, Curve, Floral and the original grate (shown here) design.
