

VINOTEMP &

Kitchen & Bath Business | What's Cool Everywhere Else

Touted for its ease of installation (built-in or freestanding) and its many features (pull-out glass shelving, automatic defrost, interior lighting, etc.), Vinotemp's new Brama Outdoor Refrigerator is highlighted in the popular trade publication's latest product trend feature.

AUDIENCE: Magazine (print & digital) | 205,000

"The magazine delivers exclusive features on cutting-edge design installations, new products, business developments, industry personalities, best practices and solid market research. Kitchen & Bath Business was the first trade magazine for the kitchen & bath industry, is the exclusive sponsor of KBIS and continues to provide progressive and insightful coverage of the industry's products, trends and services, with a sophisticated visual style befitting a design-oriented readership."

WHAT'S COOL

What's Cool Everywhere Else

1. **Floory Classic** from **LISA BATSON GOLDBERG** is a wearable, unpeeled and pre-finished hardwood. Roll sizes have a total width and wall coverage of 140 cm, with a 3-m height. Shown here is Lush Dreams - an oversized dark, wavy floral print wallpaper in a polished finish.

17. **BOND** from **WATERWORKS** is a modern bath collection designed in collaboration with New York City-based design firm Gachot Studios. The three series include Solo, Tandem and Triumf, pictured, introduce two additional design elements: a two-tone finish (gummetal) combined with unlacquered brass or nickel) and gullies (a line for a hand-crafted look).

18. **CROSSVILLE, INC.** has launched the Cuskie wall tile collection, shown here in rose gold. Tiles are available in 3-in. by 6-in. and 3-in. by 12-in. rectangles, 6-in. squares, 6-in. triangles, as well as 4-in. circles and 2-in. demilunes. Coordinating corner options are available to frame the circles and demilunes. Additionally, a 1 1/2-in. by 6-in. trim piece with finished edges on short and long sides is an option.

19. **DURA SUPREME** has announced its latest finishes: Pearled Oak and Pearled Quartz Sparn Oak. The finishes are now available on all of the company's standard paint finishes, as well as the Personal Paint Match Program and Curated Color Collection finishes. Standard paint colors include pearl, green white, silver gray, white (pictured), black, moonstone, silver mist, graphite and classic white.

20. Created by glass master Roberto Baltrami, the **Solo Glass** by **WAVE MURANO GLASS** is made of 100 percent Murano blown glass. Its unique form is worked with a special tool called "taglioli," or sculpting knife, at a hot temperature of up to 1,000 degrees.

21. **THOR KITCHEN** releases its first stand-alone oven with the debut of the 24-in. Connoisseur Oven in stainless steel. The electric oven is equipped with four preset cooking modes and includes a steam-assist feature that reduces cooking time and locks in moisture to enhance flavor profiles. A 50-in. trim kit is available as an add-on.

22. Designed for freestanding or built-in installation, the new **Brama Outdoor Refrigerator** by **VINOTEMP** not only refrigerates food and beverages but also features pull-out glass shelving, an LED display control panel and interior lighting, automatic defrost and a door lock. The cabinet and interior are black, with a 304 stainless-steel door, pole handle and toe kick.

23. The **Style Drawer Powered Vertical Organizer** provides a clutter-free aesthetic in a fully assembled unit. The **Style Drawer Blade Cup** power-up organizers feature an interlocking UL-rated thermostat that automatically cuts power to the outlet in the event the surrounding temperature exceeds 120 degrees.

24. **DOMETIC** has unveiled **Domestic MuBar**, a premium mobile beverage center that comes in three models: Domestic MuBar 50, Domestic MuBar 300 and Domestic MuBar 150. First and foremost, the Domestic MuBar 150 is built with professional-grade steel and includes a dual-zone refrigerator compartment and a rotomolded presentation basket that can hold an additional 22 bottles or 32 cans.

22. Designed for freestanding or built-in installation, the new Brama Outdoor Refrigerator by VINOTEMP not only refrigerates food and beverages but also features pull-out glass shelving, an LED display control panel and interior lighting, automatic defrost and a door lock. The cabinet and interior are black, with a 304 stainless-steel door, pole handle and toe kick.
