## 15-Bottle Single-Zone Wine Cooler

EL-15TSCS

Store your wine collection in the sleek 15-Bottle Single-Zone Wine Cooler by Vinotemp. This compact wine cooler holds up to 15 bottles on sturdy wire shelves. The touch screen control panel located on the door's exterior make it easy to maintain the ideal environment for wine storage. A black cabinet and a corkscrew design on black glass door make this freestanding cooler an attractive addition to any space.
