

Vinotemp 15-Inch Outdoor Dual-Zone Wine & Beverage Cooler

VT-OUTDR15GD

Vinotemp's 15-Inch Outdoor Dual-Zone Wine & Beverage Cooler is an extremely versatile unit and was designed to fit seamlessly into your cabinetry by providing a premium storage space for your beverages and wines without interrupting the style that your home environment demands. Modern styling features a dual-pane glass door with a stainless steel frame. This cooler allows you to set two separate temperatures to provide the optimum conditions for your wine and beverages. While this cooler is designed for the outdoors, it makes a perfect addition to any indoor space as well!
