

Vinotemp WineSteward™ Four-Bottle Wine Dispenser VT-PRWINEDIS4S

Bring the convenience of high-end restaurant-style wine dispensing into the comfort of your home. The Vinotemp WineSteward™ is a wine dispensing system that can store, cool, preserve and conveniently dispense wine from four bottles. Featuring proprietary cooling and dispensing technology, the new four-bottle dispenser pours wine by the glass at the proper temperature every time. Buttons on the control panel on the top let you click to pour to taste the wine as well as pour a full glass. It not only precisely pours wine, but the preservation system ensures each bottle can be enjoyed up to several weeks.
