

Cigar Cabinets

- Create a well-sealed, proper environment to store your cigars
- Store bulk amounts of boxed and unboxed cigars in a cedar lined interior
- Maintain the right air quality with temperature controls and humidifier
- Display your impressive collection through glass or solid doors
- Possess wood, slotted cedar shelves for better air flow and cedar lined interior
- Use pull-out drawers for easy access to your favorite smokes
- Illuminate your collection using gentle interior lights
- Ensure the protection of your treasured cigars with a lock set
- Come in standard configurations or create your own design

Actual features for each cabinet vary.
