

THE LITTLE LION

WHO'S IT FOR?

ESSENTIAL the LITTLE LION, a complete meal, is our tribute to these incredible and ever-fascinating souls: **Kittens**. Regardless of breed and anticipated adult-size, the LITTLE LION has been formulated, prepared and cooked for your kitten to enjoy from the very moment it's ready to feast*) to the age of 10-12 months. At this age, he or she may enjoy one of our ESSENTIAL meals tailor-made for adult cats and their specific needs and demands.

*) Tip: Moisten the kibbles with water if necessary during the kitten's transition from milk.

BOF - A NUTRITIONAL SENSATION

Behavioural Optimising Foods (BOF) is a principle that heralds the many benefits of keeping blood sugar stable throughout the day. At ESSENTIAL FOODS, we've achieved this with our life-changing, test-winning meals that ensure blood sugar levels remain stable. Compared to other brands, our meals offer an exceptionally high nutritional value thanks to our high content of fresh protein sources and the low temperature they are cooked at. The results achieved with BOF are quite outstanding.

BEST BEFORE

Date, time & unique manufacturing number appear on the bag.

RECOMMENDED STORAGE

Always store in a cool, dry place (5-18 degrees), away from direct sunlight and in an airtight container - the original bag is fine - then the last meal in the bag will taste just as good as the first.

BAG AND CROQUETTE SIZE

The LITTLE LION is available in 1.5 kg and 3 kg bags. The croquette size is the same in all bags.

All chickens are cage free
