

FOAM CANNON

ATTACHMENT FOR PRESSURE WASHER

DESCRIPTION:

Foam cannon sprayer attaches directly to most pressure washer trigger sprayers via ¼" quick connect allowing for application of Maxima Racing Oils Bio Foam (or desired solution). Foam cannon rapidly mixes concentrated solution into a foaming wash. Adjustable dials allow for precise control of foam application.

FEATURES & BENEFITS:

- Adjustable settings for desired foam thickness and width
- Easily attaches to most ¼" quick connect pressure washer trigger sprayers
- Manufactured with durable polymer and brass fittings
- Cannon capacity - 32 fl oz.

APPLICATION INSTRUCTIONS:

1. Fill Foam Cannon with Maxima Racing Oils Bio Foam (or desired solution)
2. Connect Foam Cannon with ¼" quick connect joint to pressure washer trigger sprayer
3. Use Foam Cannon dial and adjustable tip for desired foam thickness and width
