

FULL SYN

100% SYNTHETIC 4-STROKE ENGINE OIL

DESCRIPTION:

Full-synthetic 4-stroke engine oil designed to ensure optimum protection, peak performance and positive clutch feel for commuters and racers alike. Surface-active formulation provides excellent film thickness while maintaining viscosity across all operating temperatures. Advanced, proprietary additive system keeps your engine running clean, trouble-free and extends the life of the machine. Exceeds the requirements of API SL / JASO MA2.

FEATURES & BENEFITS:

- Designed for daily use by both commuters and racers
- Superior protection at any temperature
- Excellent clutch feel and clutch protection
- World-class additive system and synthetic base oils combine to minimize oxidation and wear
- Increases durability and extends engine life
- Exceeds API SL and JASO MA2 specifications

APPLICATIONS:

For all air and water-cooled 4-stroke gasoline engines. Designed for everyday use.
