

# FLIP HOLE

## User Manual

To enhance your FLIP HOLE experience

### THE "ONE HAND CONTROL PAD" FOR PIN-POINT STIMULATION

The ONE HAND CONTROL PAD suspended in the elastomer of the FLIP HOLE can be pressed to control the stimulation of the device to exactly where you want it! Utilize it freely for stimulation where it counts most!

### HOW TO USE

The Center Pad squeezes out trapped air for increased vacuum pressure!

The Bottom Pad delivers squeeze at the insertion point!

The Upper Pad conveys pleasurable stimulation to the tip of the device!
