### Warning

Do not use on damaged, irritated or otherwise abnormal skin. If you experience any discomfort or irritation, stop use immediately and consult a medical professional. After use, ensure no lotion or other fluids remain on the item by washing thoroughly with tepid water and mild soap, and ensure product is completely dry before storing. Do not wash with alcoholic cleaners, or corrosive substances such as benzine or paint thinner. This may damage the item. Silicone-based / oil-based lubricants / other oils such as massage oil or baby oil may cause damage to the product material. Lotion may leak during use. Please ensure you use the item on a surface where this can occur. Do not boil. Store at cool to room temperature. Keep away from the reach of children. Do not place near nose or mouth to avoid suffocation risk. Do not use in any way other than stated on this User Manual. Do not share this product with others to prevent risk of STIs. Do not use this product if it is damaged in any way. This is a novelty item. TENGA Co., Ltd. can not be held liable if used in any way other than that stated in this User Manual. Use at own risk.
