

Instructions

for

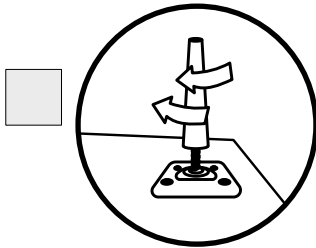

Tower Music Stand

What's in the box

- 1 x Record Stand (TOWER TYPE)
- 4 x Wooden or Iron Feet
- 20 x Screws to fit the iron legs
- (Please note extra screws might be added)

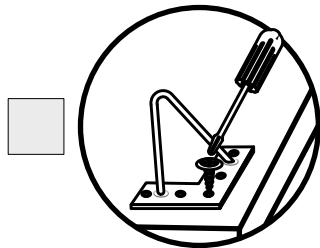

Wooden Legs

Your set includes four wooden legs. These need to be attached to the bottom part of your record stand. You can easily fit these by screwing them in with your hand. We have fitted the legs plates for you.

Iron Hairpin Legs

Your set includes four iron hairpin legs. To assemble these you will need a star type screwdriver or a power tool with a star type end. Holes for the legs has been pre-drilled and should be clearly visible underneath your record stand. Please align the base of hairpin legs along the pre drilled holes. Using a screwdriver or a power tool attach the legs with included screws.
