MAKEUP AQ™

Step-By-Step Instructions for 10 Fast & Easy Designs

# Sparkle Fairy

1. Begin with clean, dry skin.  
Create a lime green shade by combining Yellow and Dark Green with your sponge. Using a patting motion apply over the eyelids up towards the brows and onto the forehead. Dab a small amount onto the high points of the cheekbones.

2. Using the sponge add a pop of Yellow by blending into the areas of Green.
3. Using the chisel brush add designs shown in Dark Green.
4. Using the medium round brush add White swirls all around the Dark Green and White Detailz to create the fine dots.

5. Dab on Paradise Glitter with finger tips when paint is almost dry.

# Lion Villain

1. Begin with clean, dry skin. Apply White Paradise Makeup AQ with the chisel brush in areas shown.
2. Load the chisel brush with Red Paradise Makeup AQ and apply to the tip of the nose, underneath the eyes, eyelids, brows and forehead as shown. Using the sponge, blend in Yellow Paradise Makeup AQ to fill in more of the design.
3. Using the medium round brush fill in blank spots with Black Paradise Makeup AQ.

4. Add whiskers using the medium round brush in Black and White Paradise Makeup AQ, add small dots at the base of each whisker.

# Masked Mermaid

1. Apply Violet Paradise Makeup AQ onto the eyes, cheekbones, and forehead using the chisel brush.

2. Using the chisel brush blend Storm Cloud Paradise Makeup AQ into the Violet designs.

3. Add bold White lines using the medium round brush to fill in the blank spaces. Add Violet onto the lips.

4. Using the medium round brush add White shapes as shown to further enhance the design. Apply Detailz in White for the small dot work.

# Spider Hero

1. Begin with clean, dry skin. Use the White Paradise Makeup AQ to outline the eyes and Red Paradise Makeup AQ to create the shape of the mask.
2. Using the medium round brush outline the White with Black Paradise Makeup AQ.
3. Add Black web designs using the medium round brush.
4. Once the Red is completely dry, create small White highlights between the Black webbing using the chisel brush.

## Kind Cub

1. Begin with clean, dry skin. Using the chisel brush, apply White Paradise Makeup AQ in the areas shown.

2. Create orange by mixing shades Red and Yellow of Paradise Makeup AQ. Shape out the lion design using the medium round brush.

3. Using the chisel brush, apply Dark Pink and Red Paradise Makeup AQ over eyelids, on the forehead to create the ears, and on the tip of the nose and bottom lip.

4. Outline the entire design using Black Paradise Makeup AQ and create small dots on the upper lip using the medium round brush.

# Super Villain

1. Begin with clean, dry skin. Create the outline of the mask design using White Paradise Makeup AQ with the chisel brush.
2. Fill in between White lines with Storm Cloud Paradise Makeup AQ.
3. Using the medium round brush and Black Paradise Makeup AQ, create the star in the center of the forehead. Outline around eyes and all areas of the Storm Cloud.
4. Add a few extra fine lines as shown. Fill in lips using the medium round brush in Black Paradise Makeup AQ.

## Fierce Feline

1. Begin with clean, dry skin. Apply White Paradise Makeup AQ™ over the entire face using the sponge.

2. Using the chisel brush, outline the entire White area with Violet Paradise Makeup AQ™. Slightly blend in to soften the line.

3. Apply Dark Pink Paradise Makeup AQ™ as shown using the sponge.

4. Create the tiger stripes. Line the eyes, tip of nose and bottom lip using the medium round brush and Black Paradise Makeup AQ™

# Bold Princess

1. Begin with clean, dry skin. Using the medium round brush and Dark Pink Paradise Makeup AQ™, line the upper lids and create small designs on forehead and upper cheeks. Color the lips.
2. Fill in the empty spaces around the Dark Pink design with Violet Paradise Makeup AQ™ as shown.
3. Outline the entire design in Black Paradise Makeup AQ™ using the medium round brush.
4. For the finishing touch use White Detailz™ to create the small designs, dots and

highlights as shown.

## Butterfly

1. Apply White with sponge.
2. Overlay Dark Pink on the edge of the White with a sponge.
3. Use a chisel brush loaded with Violet and pull toward the center to create the shape of the wings.
4. Using a brush, follow the shape of the eyelid to paint Violet on the top and bottom lid.
5. Use the medium brush loaded with White to create the simple body of the butterfly.
6. Use Detailz White for the accent dots on wings.
7. Dust with Opalescent White glitter.
8. Apply Dark Pink over the lips using the medium round brush.

Alexane Vincent

# Monster

1. Cover half of the face with White using a sponge.
2. Apply a few spots of Storm Cloud to create some shadows.
3. Draw towards the center of the face for the cheekbone, creating a thicker to thinner line. Blend with a sponge.
4. Create the shape of a "half moon" near the mouth using Black and medium round brush.
5. Using medium round brush loaded with Yellow, press down to make the teeth.
6. Outline with Black to make the detail pop out.
