the owner of this patent

Safety Data Sheet

French Clay Coral-Pink	Page: 2/3
Revision Date: April 13, 2023	
Precautions for fire-fighters:	Wear proper protective equipment. Exercise caution when fighting any chemical fire. Use water spray or fog for cooling exposed containers.
Resulting gases:	Carbon oxides.
SECTION 6. ACCIDENTAL RELEASE MEASURES	
Personal precautions:	Equip a clean crew with proper protection. Respiratory protection equipment may be necessary.
Environmental precautions:	Prevent entry to sewers and public waters. Notify authorities if the product enters sewers or public waters.
Methods for cleaning up:	To prevent the formation of dust, avoid dry sweeping, and use a vacuu or cleaning system with water spray.
SECTION 7. HANDLING AND STORAGE	
Precautions for Safe Handling:	For external use only. Avoid direct eye contact. Open with precaution use. Use only as directed.
Recommended Storage Conditions:	Provide local exhaust or general room ventilation to minimize dust and/or vapor concentrations. Keep the container closed when not in use.
SECTION 8. EXPOSURE CONTROLS / PERSONAL PROT	ECTION
Eyes:	Use tightly sealed goggles.
Skin:	If skin contact or contamination of clothing is likely, protective clothing should be worn. Use protective gloves.
Respiratory:	In case of insufficient ventilation, wear suitable respiratory equipment
SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES	
Appearance:	Coral Pink- Peach-colored fine powder.
Odor:	Almost odorless.
pH: Solubility:	8.0 to 9.0 Insoluble in water
·	
SECTION 10. STABILITY AND REACTIVITY Chemical Stability:	Stable under normal temperature conditions.
Possibility of hazard reactions:	Hazardous polymerization will not occur.

The information given and the recommendations made herein are based on our research and are believed to be accurate but no guarantee of their accuracy is made and we assume no liability regarding this formula or information contained herein. In every case we urge and recommend that our customers make their own tests to determine to their own satisfaction whether the product is suitable for their particular purposes under their own operating conditions. Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent without the authority from the owner of this patent

Safety Data Sheet

French Clay Coral-Pink	Page: 3/3
Revision Date: April 13, 2023	
Conditions to avoid: Incompatible materials:	None. Not available.
SECTION 11. TOXICOLOGICAL INFORMATION	
Inhalation:	Prolonged exposure to dust can cause respiratory effects. May cause mild irritation.
Skin Contact:	Adverse skin effects should be prevented by normal care and personal hygiene.
Eye Contact:	Eye contact may cause irritation.
Ingestion:	Ingestion may irritate the gastric tract.
SECTION 12. ECOLOGICAL INFORMATION	
Ecotoxicity:	Avoid any pollution of ground, surface, and underground water.
Persistence and degradability:	This product is not biodegradable.

SECTION 13. DISPOSAL CONSIDERATIONS

Dispose of product in accordance with local, state or provincial and federal regulations. Check with local municipal authority to ensure compliance.

SECTION 14. TRANSPORT INFORMATION

This product is classified (per 49 CFR 172.101) by the U.S. Department of Transportation, as Non-Regulated Material.

SECTION 15. REGULATORY INFORMATION	
California Proposition 65:	This product can expose you to trace heavy metals, which are known to the State of California to cause reproductive harm and cancer.

SECTION 16. OTHER INFORMATION
