

Hunter Industrial & Commercial is proud to present **Hunter Air Circulators**, a line of reliable, cost-efficient industrial air circulators from the only company with over 130 years in the air movement industry.

The **Orbital Wall Fan Remote** is a highly functional, versatile fan, able to deliver powerful airflow in a concentrated area. The remote control allows users to power the fan, schedule run times, and control oscillation. The Orbital Wall Fan features a high-efficiency, 3-speed motor, and comes with a 1-year warranty.

- AVAILABLE IN 20"
- REMOTE INCLUDED
- 3-SPEED, HIGH-EFFICIENCY MOTOR
