

**Accessory wall mount must be purchased separately.*

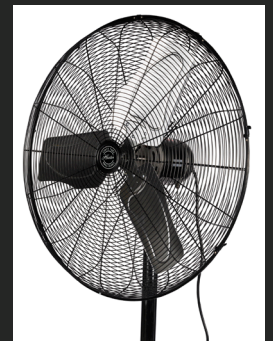

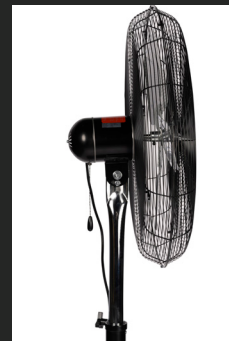

Hunter Industrial & Commercial is proud to present **Hunter Air Circulators**, a line of reliable, cost-efficient industrial air circulators from the only company with over 130 years in the air movement industry.

The **Pedestal Fan** provides powerful, concentrated airflow, wherever you need it most. With the ability to be mounted on a sturdy pedestal or fastened to a wall, this fan can easily be set up in a workspace or high traffic area. The Pedestal Fan comes equipped with a 3-speed, high-efficiency motor and a 1-year warranty.
