

A modern orange leather armchair is the central focus, positioned in a garden-like setting. The chair is surrounded by a dense field of bright orange flowers. In the background, there are white arches and a wall covered in greenery and more orange flowers. The scene is brightly lit, with shadows cast on the ground.

The Power of Aesthetic Force

ABOUT US

Since 1870, we have taken pride in providing timeless furniture pieces for hotels, clubs, commercial spaces, dignitaries and esteemed clients the world over. By continuously exploring and experimenting with different materials and manufacturing techniques, our skilled craftsmen and artisans have produced pieces that are intricate and elegant. We strive to make each item unique and functional and we know it will add beauty in any space.

Our team of skilled craftsmen and artisans brings to life intricate and elegant designs that are recognized worldwide. This commitment to excellence has earned us numerous awards and several design copyrights, affirming our place as leaders in luxury furniture manufacturing. As we continue to grow and evolve, our history remains a testament to our passion for the craft and the timeless beauty of our creations.
