Amber

Use these when feeling depleted and stressed to bring in the energy of the central sun, source, golden life to revitalise your field so you are a beacon of golden light.

This High grade golden Amber from the less common find of Mexico and is the real deal, it glows magically blue and green under UV light.

Made from tree sap from 90 - 100 million old trees these are truly pure and ancient sun life force trapped in a stone. Ancient people used Amber for jewellery and powerful protective Talismans. They worked with Amber for connection to the Sun Gods.

I have been working with Amber to access the energy of source and central sun that is upon us, and the gold ray of light. We have had an influx of golden ray light since the major solar flares and as we continue into 2024 this trend will only continue as the sun achieves its 7 year solar maximum.

You will notice in sunlight the darker parts of the stone, glow green!
