

MODEL AP 1824

4-WHEEL UNIVERSAL CART

Sturdy all-purpose two- or three- shelf cart with big 500 lb. load capacity. Shelf flanges may be ordered up or down. Five-inch ball bearing wheels with non-marking rubber tires are corner mounted. All-welded fabrication of strong aluminum alloy provides extra strength for heavy loads.

MODEL G

MODEL G

UNIVERSAL CART

Our narrowest cart. A versatile all-purpose lightweight, yet handles up to 500 lbs. of merchandise. Useful for shelf-stocking in narrow aisles. Corner-mounted wheels.

AP-2SC

AP-2SC

ALL PURPOSE 2 SHELF CART

This unit features two 12" deep tubs (can be customized) for secure storage of product. Corner bumpers give this cart added protection.
