

**MODEL FB-3048
ALL-PURPOSE FLAT BED**

This classic cart is easy to maneuver and works well for many different operations. Available in a 6 caster arrangement or with high capacity casters to increase workload capabilities.

MODEL FB-3048

**MODEL FG-1
PIPE DECK TRUCK**

Deck is raised 15" from floor for easy loading yet is convenient for shelf stocking. Lightweight aluminum alloy welded construction, 500-lb. load capacity. Wheels (front swivel, rear fixed) with rubber tires provide a smooth-rolling truck.

MODEL FG-1

**MODEL S-4-1FB
FLATBED LADDER TRUCK**

Clear span 19.5" x 32" flat deck with 500-lb. load capacity. Angled ladder is stable even when truck is empty. Standard 3-step Lo-Ladder with Step-Lock.

MODEL S-4-1FB

MODEL 88827-1

This flat-bed is a smooth-rolling, low maintenance workhorse with a 1,200 lb. capacity. Featuring a 2-step ladder for convenient picking as well as an end rail for added security and easy maneuvering.

MODEL S-4-FB-3065-X

Heavy-duty diamond-plated aluminum 2-shelf flat-bed with sanded 3-step ladder is ideal for any big warehouse job along with many other applications.

MODEL S-4-FB-3065-X

MODEL 88827-1
