## Hydraulic Foot Pump Roll Handler

A 304L Stainless Steel Hydraulic Foot Pump Roll Handler is great for an assortment of areas including the food handling service industries. The design is sleek, smooth, and easily washable for before and after use in hygienic areas. The raising and lowering of the platform to the precise position is made easy by the hydraulic foot pump design, which diminishes needless bending when loading/unloading material. The 304L stainless steel construction, including hydraulic cylinders as well as the piston, provides a strong structure for transferring heavy loads between work areas. A rounded handle style allows for a proper two handed grip when maneuvering around work areas. The open cradle platform lets the user load material from three sides. Cradle adjusts in 1" increments up to 16" wide. The handler rolls smoothly on four (4) swivel casters with two (2) attached rear brakes for safe functionality when in a resting position.

MODEL NUMBER	CRADLE SIZE (W x L)	MAXIMUM ROLL DIAMETER	SERVICE RANGE	CAPACITY	WEIGHT (POUND)
ULM-HRH-850	16" x 16"	24"	5 <sup>3</sup> / <sub>8</sub> " to 23"	850 lb.	138

model ULM-PM-2745-30

## Pallet Trucks

304L Stainless Steel Hydraulic Hand Pump Pallet Trucks are a superb addition to the food handling and other hygienic environments. The 304L stainless steel construction, including hydraulic cylinders as well as the piston, is not only strong, but also simple to clean with its open fork design for thoroughly detailing the unit before/after transferring products. The height of the ergonomically friendly handle diminishes slouching and can be rotated for simple maneuvering of products down narrow corridors and pathways. All bearings are sealed for waterproof protection during both use and cleaning.

MODEL NUMBER	UNIFORM CAPACITY	OVERALL FORK SIZE (W x L)	SERVICE RANGE	WEIGHT (POUND)
ULM-PM-2745-30	3,300 lb.	26 <sup>3</sup> / <sub>4</sub> " x 45 <sup>1</sup> / <sub>4</sub> "	3 <sup>3</sup> / <sub>8</sub> " to 8"	170
ULM-PM-2745-40	4,500 lb.	26 <sup>3</sup> / <sub>4</sub> " x 45 <sup>1</sup> / <sub>4</sub> "	3 <sup>3</sup> / <sub>8</sub> " to 8"	170

## Pallet Trucks with Digital Scale

304 Stainless Steel Pallet Trucks with Digital Scale allows you to weigh your load on the spot for maximum efficiency. This model is very user friendly and is suitable for low height lifting. The built-in scale allows you to weigh your load as you are handling it. The scale is selectable in a variety of increments to adjust to the size of your load. It has keyboard calibration and functional setup with automatic zero capabilities. Digital filtering is used to help compensate for vibration and motion to make the Stainless Steel Pallet Truck with Digital Scales smooth and accurate. Forks are 7" wide each. Factory calibrated for shipping destination. Scale is powered with four (4) AA batteries. AC adaptor included. NTEP approval also available. Units may not be suitable for wash down applications. Please contact factory.
