## **Alloetta Collection**

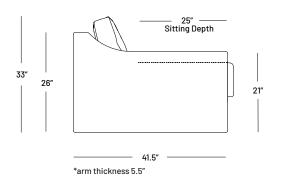

The *Alloetta* may bridge two design aesthetics—blending clean lines with traditional arm details—but this ain't a compromise. Rather, it's the best of both worlds, with crisp tailoring and a distinct silhouette that seems to float above the ground. A feather seat and back will keep you happily within your (sofa) comfort zone, and seats are deep enough to accommodate all the throw pillows your heart desires.

**ffabb** has been crafting timeless pieces of furniture for over two decades in North Vancouver. The **ffabb** collection offers an accessible, sustainable alternative to fast furniture; using low-emissions materials and abstaining from using any glues or stains harmful to the end user. Each piece is made with longevity in mind - **ffabb** strives so you might adapt them throughout your lifetime!
