

# Brightside

Why look on the **Bright Side** when you can sit on it instead? The chic sectional boasts generous, deep seats, sloped arms and a low-slung midcentury-inspired profile—a comfortable perch with some serious design chops. Slim metal legs (in brushed steel or matte black) support a lightweight-yet-sturdy base and a sinuous spring-suspension frame. Feather-and-poly pillows are at once cushy and supportive. Considering it for your family sofa? A bright idea, if we do say so ourselves.

**ffabb** has been crafting timeless pieces of furniture for over two decades in North Vancouver. The **ffabb** collection offers an accessible, sustainable alternative to fast furniture; using low-emissions materials and abstaining from using any glues or stains harmful to the end user. Each piece is made with longevity in mind - **ffabb** strives so you might adapt them throughout your lifetime!
