

Lala Low Collection

Low-slung and stylishly stealthy, the **Lala-Low** is a low-key modernist's dream—but the maximalist is welcome to join the fan club, too. After all, the **Lala-Low** allows for plenty of kit-it-out opportunities. Add cut-outs for light fixtures or headboard extensions to make the versatile style your own.

ffabb has been crafting timeless pieces of furniture for over two decades in North Vancouver. The **ffabb** collection offers an accessible, sustainable alternative to fast furniture; using low-emissions materials and abstaining from using any glues or stains harmful to the end user. Each piece is made with longevity in mind - **ffabb** strives so you might adapt them throughout your lifetime!
