

Saramony Collection

Consider the **Saramony** the Diane Keaton of sofas. Draped in linen, effortless and earthy, it's bringing the I-have-a-beach-house vibes in a big way. But this relaxed-and-slouchy style is anything but sloppy: knife-edge arms, an ultra-supportive wooden frame, and clever cushion tabs add tailored structure to an otherwise cloud-like design.

Super-cozy down-and-poly cushions (extra deep, of course) invite luxurious afternoon naps or late-night heart-to-hearts in equal measure.

ffabb has been crafting timeless pieces of furniture for over two decades in North Vancouver. The **ffabb** collection offers an accessible, sustainable alternative to fast furniture; using low-emissions materials and abstaining from using any glues or stains harmful to the end user. Each piece is made with longevity in mind - **ffabb** strives so you might adapt them throughout your lifetime!
