

# Tuxxy Collection

*Tuxedo* sofas are a classic for a reason: like the suit, they're debonair, dashing, and downright delectable. Pairs well with big ol' living rooms and chic, compact condos alike. If you're looking for something with big-boss energy (and teddy bear comfort), you've found it. Tailored and sophisticated, comfortable and cool, *Tuxxy's* 21 modular components offer limitless potential. Arms and backs rise to a smart eight inches to create a sleek, wrap-around silhouette; high-end materials (like latex foam and feather) keep the chic form in tip-top shape for years to come.

**ffabb** has been crafting timeless pieces of furniture for over two decades in North Vancouver. The **ffabb** collection offers an accessible, sustainable alternative to fast furniture; using low-emissions materials and abstaining from using any glues or stains harmful to the end user. Each piece is made with longevity in mind - **ffabb** strives so you might adapt them throughout your lifetime!
