

Hansem Wall Panel

For an affordable, sustainable alternative to custom built-in panelling, look no further than the **Hansem**. The ultra slim wall panels feature smooth contours and crisp lines: ideal ingredients for creating a striking and elegant wall backdrop. Use alone or in multiples or combine with millwork to create a one-of-a-kind look with minimal effort—whatever your design dream.

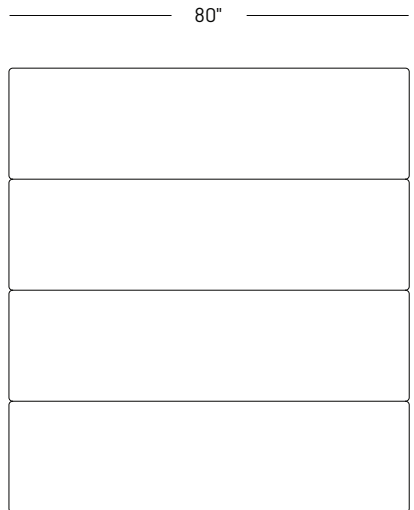

ffabb has been crafting timeless pieces of furniture for over two decades in North Vancouver. The **ffabb** collection offers an accessible, sustainable alternative to fast furniture; using low-emissions materials and abstaining from using any glues or stains harmful to the end user. Each piece is made with longevity in mind - **ffabb** strives so you might adapt them throughout your lifetime!
