INVITATION WORDING

The wording used on our designs is for illustrative purposes and can be changed. If you wish to add your guests' names a line can be added to your invitations for you to write your guests names or you can have them printed onto your invitations (an *optional extra*). Alternatively, you do not need to personalise them at all! Below are some wording ideas for formal and informal wedding invitations. If you need help with your wording please do get in touch.

ASKING FOR NO CHILDREN TO ATTEND

A few suggestions for delicately asking for no children to attend if this is your preference:

While we love to watch your children grow and play,
This is an adult only kind of day.

We are very sorry, but due to restrictions at our venue, we cannot accommodate children.

Due to safety reasons and/or limited space, we are unable to extend this invitation to children.

Unfortunately, as much as we'd love to invite all of our friends' children, we can only accommodate a few close family children. We hope that you will understand this decision and we very much hope you will still be able to join us on our special day.

In order to keep numbers to a minimum, we can only invite a small number of children. We also thought you might like a day off!

With respect, we would like our special day to be an adult only occasion.

Children outside of the bridal party are unfortunately not invited for the ceremony, but are more than welcome to attend the reception.

We would like our special day to be an adult only occasion, however we would like to extend the invitation to your children at the evening reception.

So whether you are restricted by numbers or on a budget, the short paragraphs above are a great, clear way to inform guests of your decision.

GIFT POEMS

Some ideas or be inspired and write your own!

We're tying the knot and we just can't wait.
We knew it would happen on our very first date.
As we've got our home dressed up with accessories,
We don't really think that a wedding gift list is necessary.
But if you did want to give something to help us on our way,
Some money in a card would truly make our day!

We've lived together for quite a while,
With all our pots and pans,
And as we don't need homely gifts,
We have another plan!
We know it's not traditional,
But it's easier that's for sure,
To have no wedding list at all,
Your attendance means much more!
For those of you who do insist,
We have a savings pot,
A small gift to add to this,
Would really mean a lot!

We know it's not traditional
And it's not the way it's done
But rather than a wedding list
We'd love a bit of sun!

So if you'd like to give a gift
And send us on our way
A donation to our honeymoon
Would really make our day!

Then while we're relaxing
On the beach or by the pool
We'll sit back and know
That it is truly thanks to you!

We made a commitment, some time ago,
Together through life, we were destined to go.
To save you looking, shopping and buying,
Here is an idea, we hope you'll like trying!
Come to our wedding, to wish us both well,
And please make a donation to our wishing well.

Now we are to be Mr & Mrs
We don't need a wedding list of dishes
We have two kettles, two toasters, two microwaves
And we have dreams for which we have to save.
If you would like to give us a gift
A cheque or vouchers would give us a lift
We like to think of it as our 'Wishing Well'
Which will be filled with your love, we can tell!

We haven't got a gift list for all of you to see,
because as you all know we never can agree!
But if you'd like to help us start our married life,
cash or high street vouchers, would save a lot of strife!

We've just moved home and have filled it with stuff,
From books to sofas, we've certainly got enough!
Instead of more wine glasses, we'd really love some cash,
So that we can book a perfect honeymoon and head off in a dash.
A romantic beach break would really do the trick,
As soon as we can afford it, we'll be on that plane quick!

As we're getting married we thought it would be fun,
To move into a brand new home — we need to get it done.
As wedding gifts are bulky and we're a little short on space,
Some money would be the ideal gift to help us buy our place!

We'll soon be saying 'I Do',
And for a gift, if you haven't got a clue,
Then we'd really love some cash,
So that for our honeymoon we can splash,
Out on an amazing and romantic trip for two!

We can't wait to spend our wedding day with you,
We've been planning hard and spending money for a good year or two.
As we're keen to start our married life in style,
An amazing honeymoon would really make us smile.
Instead of a gift list from a high street shop,
We'd really love some money so that on a beach we can flop!
Your financial donation would truly mean a lot,
So thank you for contributing to our honeymoon pot!
