## For your safety, read these instructions

To ensure your TOTO seat installation is completed correctly, please carefully read the instructions in this manual.

Use the following safety precautions for your personal safety and to protect your seat or toilet from potential damage.

 **Caution** May result in injury or property damage.

The  symbol indicates prohibited actions that must be avoided.

 <b>Caution</b>	 <p>Do not stand on the toilet seat or put heavy items on it. This may scratch or break the seat.</p>	
	 <p>Do not use bleach, chemical thinners, cleaners with acids or alkaline detergents, metal scrub brushes, steel wool, polishing powders, or detergents with gritty or coarse particles to clean the seat. This will scratch, damage, or discolor the seat. For most cleaning, only use a soft wet cloth.</p>	
	 <p>Do not allow children to play with the seat. A falling seat could hurt their hands.</p>	
	 <p>Do not allow children to use the seat unattended.</p>	

## Repair Instructions

1. If the seat does not fit the toilet properly, check the screws for looseness. To correct, follow the instructions in the installation manual to tighten them. If this does not fix the problem, please contact customer service for assistance.
2. Please contact customer service if the seat or components are damaged or defective.

## Notice

Do not open or close the seat with excessive force, or the seat or toilet may break.

Do not expose the seat to direct sunlight, or it may become discolored.

- Open the seat and lid completely, otherwise when you let go, it could fall suddenly and hurt you.
- Please read the sheath instruction manual when putting the sheath on the seat. Note that sheaths purchased by other manufacturers may not fit the seat.
- If disposing of the product, do not throw away with your regular trash. Follow your local laws and regulations to responsibly recycle the product.
