Teak bathroom and shower products are guaranteed against defects in materials, workmanship, and construction only. Excluded are normal wear and tear, including finish wear, surface cracks that are not structural, and existence of mold. Mold is one of the most common elements in a moist environment, and our benches themselves do not grow mold. Please use our recommended care and cleaning instructions to prolong the life of your finish and product. Soaps and shampoos will degrade the finish of the products if left on them. Maximum warranty is limited to one replacement item of same or similar if product has been discontinued.
