FEATURES

- 5mm Copper free mirror.
- PVC film backed.
- Mounting type: Vertically
- Energy Efficient and Long Lasting LED Lighting.
- 1Year Limited Warranty on Electronic Components.

LIGHTING:

- LED (Light-Emitting Diode).
- Defogger & Dimmable .
- Color Temperature: 6000K .
- Power Source: Input: 110volts, 50/60HZ.
- IP44 rated.
- Brightness Lumen: 2835LM; CRI>80
- Power Consumption :36Watts ;
- Energy saving LED lifetime approx 50,000 hours.
- UL certificated for electric power supply, defogger and LED strips.

Available Standard size:

24"x40"
30"x40"
36"x40"
48"x40"

Certification:
