Installation Considerations

These products should be located and mounted to a wall stud. While it is possible to mount them to any surface, a stud mounted product will yield the best results.

Keep this booklet and the receipt (or other proof of date and place of purchase) for this product in a safe place. The receipt is required to request warranty parts.

Please keep the box and packaging materials until your product is completely installed.

SAFETY TIPS

⚠ **WARNING!**

This item is not designed for use as a grab bar. Do not mount in locations where product is likely to be used as a grab bar.

⚠ **WARNING!**

Use caution when drilling into walls to avoid drilling into electrical and plumbing lines hidden within wall.

Tools you may need
