## TRANSITIONAL

Transitional indoor collections provide a bridge between contemporary and traditional designs. Although the lights offer a nod to classical styling, their design lines create light, airy and approachable spaces that feel modern and sleek, as well as warm and inviting.

# CALAIS

A selection from the simple yet elegant Calais collection would be an exquisite addition to your bathroom or living spaces.

## CEILING FANS CONTEMPORARY

Contemporary décor is represented by sleek, angular, and minimalist lines. The subtle sophistication of contemporary styling is ideal in homes with light color schemes where the space is the hero not the objects around it. Our contemporary ceiling fan collections showcases this minimalist appeal with its high design.

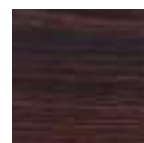

# ADRIAN

The Adrian is a contemporary masterpiece. The sleek motor and low profile style is ideal in any room.

## OUTDOORS

### CONTEMPORARY

Contemporary décor is represented by sleek, angular, and minimalist lines. The subtle sophistication of contemporary styling is ideal in homes with light color schemes coordinating with complementing accents. Our contemporary outdoor collections showcase this minimalist appeal with its high design.

# CHIASSO

Utility and style come together in the Chiasso collection. The sleek, cylinder shaped fixture is made of sturdy rust resistant aluminum for long lasting durability with both up and down lighting.

# DELANO

A modern barn light, the Delano takes a popular style and adds an updated twist. The Delano is dark-sky compliant and features a gold inner finish, to add extra warmth to the look and feel of this light.

# OUTDOORS

## TRANSITIONAL

Transitional outdoor collections provide a bridge between contemporary and traditional designs. Although the lights offer a nod to classical styling, their design lines create light, airy and approachable aesthetics that feel modern and sleek, as well as warm and inviting.

# FREEPORT

The Freeport LED collection is a sleek solution to accent any outdoor environment.
