

POLYMER COMPOSITE CLEANER

Effective cleaning concentrate for WPC/BPC decking and all other wood-plastic-composites!

8021 Clear

PRODUCT DESCRIPTION

Highly effective, slightly alkaline special cleaner for removing organic and inorganic contaminants in the exterior. Ideal for intensive cleaning of WPC/BPC decking and all other wood-plastic-composites in outdoor areas.

RECOMMENDED USE

Osmo Polymer Composite Cleaner has been especially developed for the cleaning of WPC, BPC and other water-repellent surfaces in the outdoor area, e.g. garden furniture and fencing systems made of plastic.

INGREDIENTS

Alkaline basic cleaner: <5 % cationic surfactants; non-ionic surfactants; silicates; chelation agent NTA; excipients.

TECHNICAL DATA

Specific gravity: 1.05-1.10 g/cm³

Viscosity: 20 - 25s (3 mm, DIN 53211)

Odour: Faint/mild, odourless after drying

pH-value (10 g/l): 10.9

STORAGE

Up to 2 years and more if can is kept dry and is tightly closed.

SURFACE PREPARATION

Remove loose dirt with a solid broom/hand brush from the surface.

METHODS OF APPLICATION

Dilute concentrate in mix ratio 1:10 to 1:20 with water. Apply on polluted surfaces, remove dirt with a scrubbing brush and then rinse with clear water. Test the surface for compatibility in each case!

For mechanical cleaning of decking, Osmo Decking and Flooring Cleaning Machine is recommended. After cleaning, rinse with clear water.

Notes: Do not use undiluted. Can cause discolouration or surface changes when used on unknown substrates. If possible use on the entire surface. Avoid drying of the solution.

Not recommended for daily maintenance or care.

CLEANING OF TOOLS

With water and soap.

SOAKING TIME

Approx. 10 minutes, afterwards rinse with clear water.

COVERAGE

Approx. 10-50 m² per litre (depending on degree of contamination).

NOTE

Please do not use without dilution. May cause discolourations or slight changes of the surface on unknown surfaces. Possibly use on complete area. Avoid drying of the solution. Not appropriate for daily maintenance. Avoid direct contact with useful- and ornamental plant.

CAUTION

Contains: Disodium metasilicate. Causes skin irritation. Causes serious eye damage. Reacts with acids with evolution of heat. Risk of splashing! The general safety regulations when handling chemicals must be observed.

Keep out of reach of children. Read label before use. Wear protective gloves/eye protection. If in eyes: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing. If on skin: Wash with plenty of soap and water. If medical advice is needed, have product container or label at hand.

Please considerate the common security precautions for dealing with chemicals.

Danger

DISPOSAL

Dispose of product residuals and completely emptied packages according to the local official guidelines (EU-waste code key number 07 06 01). Only fully emptied tins can be recycled.

COLOUR TONE

8021 Clear
