

Create your unique outdoor living area with Hawthorn Designer Collection

Unique Designs

Designed and produced in Melbourne by Rob Cousens, the Hawthorn Designer Collection is the very latest in unique, contemporary, premium outdoor furniture. Offering flexibility in size options, seating, table style, fabric colours and construction, we only use quality lasting materials, requiring minimal maintenance.

Lasting Features

The Hawthorn Collection features #304 Stainless Steel framework and premium quality materials for cushions and slings by leading fabric manufacturers. Table tops and seating can be constructed by environmentally responsible ModWood in a range of colours to suit your individual needs and desire, or in rich natural durable timbers, providing bespoke pieces to enjoy and admire.

Your Space

Selecting the right material style and design can change a space and create a mood. It can inspire and be an outlet for expression and individuality.

Your Lifestyle

Customise your outdoor living with Rob Cousens exclusive range of Outdoor Living Furniture and Accessories, and set new unique standards for you're entertainment, lifestyle and outdoor space.
