

**KRS Corporation, LLC**

**Aluminum Bumpbar Repair Service — RMA Form**

Please print and complete form to the best of your ability/knowledge and include it with your Bumpbar to be repaired. Having as much information as possible is critical for diagnosing and repairing your device. Please ensure return address is correct as this is the address we will ship the repaired device. Incorrect/inaccurate information may result in your device not being returned in a timely manner/at all.
