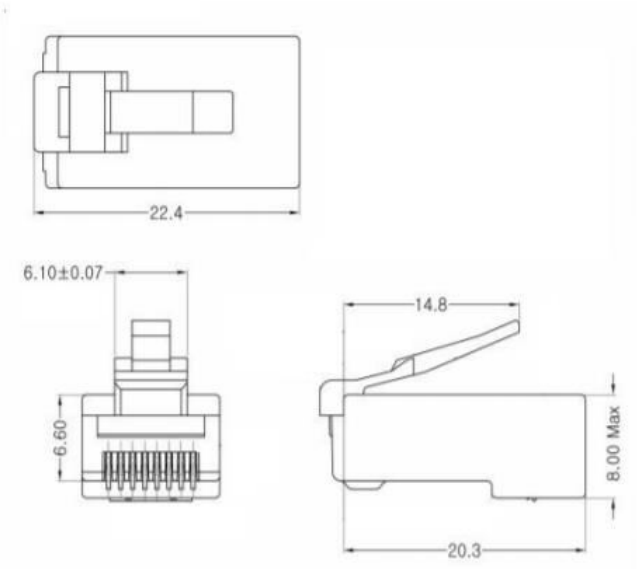
KEY FEATURES

- Copper Terminals with Anti-Oxidation Nickel & Gold Plating
- Extra Wide Latch for Quick Connection/Removal
- Easy Coil, Kink Resistant Durable Break-Resistant Connector
- Easy To See Phosphorescent (Glow in the Dark) Connector Boo
- Bending Resistance, More Flexible,
- Anti Aging, friendly Plugging, Anti Oxidant, Anti Interference, Soft Abrasive Material
- Double Protection, Fire Proof & Moisture Proof
- Bend More Than 1,00,000 Times

Specification

Conductor	Wire Guage	24AWG
	Material	Bare Copper Twisted Pair
	Cord Size	7/0.2/BC+0.008
Insulation	Avg.Thickness	0.2mm
	Min.Thickness	0.16mm
	Material	HD-PE
	Color	Orange*White/Orange, Green*White /Green, Blue*White/Blue, Brown*White/Brown
	Diameter	0.98+0.03mm
Jacket	Avg.Thickness	0.6+0.05mm
	Material	110P Matte
	Color	Matte Black
	Diameter	6.0+0.015mm


Connectors Dimension
