

NeoMetal	Document Number	QP 001
	Title	Quality Policy
	Revision	B

Quality Policy

NeoMetal is committed to providing our customers with products that comply with all requirements while meeting their expectations for quality, delivery, and customer service.

NeoMetal is committed to ensuring that this policy is communicated and understood throughout NeoMetal.

In support of this policy, NeoMetal is also committed to the continual improvement of the quality management system and our established quality objectives to ensure that the processes are adequate, effective, and suitable to meet all requirements.

Charles Brooks
