

Tidy Tubing™

Retractable Oxygen Tubing for Fall
Prevention & Convenience

Model 1835

Extends to 15 Feet

RECOMMENDED USE:

- Stationary Oxygen Concentrators
- Pull Carts
- Wheelchair
- POC (when stationary)

WHY TIDY TUBING?

- Eliminates the need for long O2 tubing that can get hung up, tangled, or kinked
- Fantastic for fall prevention
- Makes life more enjoyable for O2 users

INCLUDED:

- Clothing clip to prevent nose tug
- 2 foot Adult Vanish Cannula
 - soft & pliable, reduces irritation
- Swivel connector installed to prevent tangling

ADDITIONAL MODELS:

- 1833: extends to 5 feet
- 1834: extends to 10 feet
