Hey Tiger Regiment and families!

Welcome to the very first edition of The Roar Report — your new go-to source for all things Tiger Regiment! I'm honored and incredibly excited to serve as your Editor-in-Chief for the upcoming season. Whether this is your first time lacing up your marching shoes or your final year leading the charge, this newsletter is here to keep you connected, informed, and inspired.

DIRECTOR'S CORNER

WELCOME TO A BRAND-NEW SCHOOL YEAR! I AM EXCITED TO KICK OFF ANOTHER SEASON OF MUSIC, GROWTH AND UNFORGETTABLE MEMORIES! WHETHER YOU'RE A RETURNING TIGER REGIMENT MEMBER OR NEW TO THE PROGRAM, KNOW THAT YOU ARE AN IMPORTANT PART OF THE HEART OF THIS BAND! LET'S BRING OUR BEST TO REHEARSAL, SUPPORT ONE ANOTHER LIKE FAMILY, AND MAKE THIS A GREAT YEAR TO REMEMBER. LET THE MUSIC BEGIN!

MR. KALWA

In every edition, you'll find schedules, spotlights, photos, shoutouts, and all the inside scoop on what's happening within the Regiment. My goal is to make this a space where every Tiger feels seen, heard, and proud to be part of something bigger than themselves.

So as we step off into a brand new year, let's do it with pride, purpose, and passion. Let's ROAR louder than ever, march with meaning, and show our school and community what it really means to be a part of the Tiger Regiment.

Let's make this season one we'll never forget.

With Tiger Pride,

JON-MICHAEL TILLET
EDITOR-IN-CHIEF

OFFICIAL NEWSLETTER OF THE TIGER REGIMENT

Section Update: Woodwinds

The woodwinds have been working hard during summer learning drill, reading the field, and hitting sets with focus and precision. We spent hours in rehearsals, sight reading, tightening our sound, and working on concentration and fun teamwork! We are ready to take on the season! - **Anthony M**

Section Update: Brass

This year's brass section—trumpets, mellophones, sousaphones, baritones, and trombones—crushed it at band camp. We learned new music, locked in our marching, and got our sound bigger and cleaner than ever. From high trumpet notes to those deep sousa vibes, we're ready to bring the energy all season. - **Anthony M**

Section Update: Color Guard

Flags are Spinning and Rifles are flying! Colorguard is back in action alongside the marching band as we prepare for an unforgettable season. We've been hard at work perfecting stand tunes and choreography with the band for the opener of our marching show and football game! Stay tuned, because this season is just getting started! - **Chloe C**

George Gershwin:

George Gershwin (Sep. 26 1898 - July 11 1937) was one of the most influential composers in American history. Known for his innovative fusion of jazz (associated with the working-class and African-American culture) and classical music (associated with high society), Gershwin's work sparked controversy among musical purists. - **Dante C**
