

# **SPEAK & SHARE PROGRAM FUNDING INITIATIVE 2024**

**We recognise that Mental Health does not discriminate and affects many. It is for this reason that we are introducing our new Program Funding Initiative.**

**We acknowledge that not all schools, sporting clubs and workplaces have the opportunity to fund our mental health workshop.**

**If your School, Sporting Club or Workplace is limited by it's financial resources, Speak & Share would like to offer the opportunity to apply for program funding towards our workshop for the 2024 calendar year.**

**WE ARE PLEASED TO  
PROVIDE THE OPPORTUNITY  
TO RECEIVE**

**25%**

**50%**

**100%**

**PROGRAM FUNDING FOR YOUR  
SCHOOL, SPORTING CLUB OR  
WORKPLACE.**

**All we ask in return is to be mindful of those in need so we are able to continue to impact our community far and wide.**

In **2023** we delivered **100+** workshops to over **6000** participants across Schools, Sporting Clubs & Workplaces.

# HOW TO APPLY

Please provide your name and school, sporting club or workplace you are applying on behalf of in your application.

By answering the questions below, your school, sporting club or workplace will be assessed and go in the running to receive funding towards our programs for 2024.

- 1** Why do you feel it is important for your school, sporting club or workplace to have Speak & Share deliver our workshop?
- 2** Why are you applying for a level of funding?
- 3** What does your school, sporting club or workplace already do to support the mental health of your players, students &/or staff?
- 4** By having our program funded, what new initiatives do you hope to implement within your school, sporting club or workplace?

Please send your completed application to [team@speakandshare.com](mailto:team@speakandshare.com) & we will be in touch.
