1. Print out the necessary pages from the PDF of the appliqué pattern(s).
2. Mark the right side of the pattern pieces so you'll know which direction to lay the pattern on the fabric.
3. Lightly spray the wrong side of the pattern pieces with temporary adhesive spray and allow it to set for a few minutes.
4. Place the pattern pieces on the right side of the fabric and carefully cut them out. **PHOTO 1**
5. Sew the placement stitch on your hooped fabric. **PHOTO 2**
6. With the paper still stuck to the right side of the appliqué fabric, spray the wrong side of the fabric with temporary spray adhesive.
7. Place the fabric inside the sewing placement stitch so that it matches the stitching line, and then remove the paper pattern. **PHOTO 3**
8. Sew the tackdown. **PHOTO 4**
9. Sew the remainder of the design and repeat for any remaining pieces. **PHOTO 5**

NOTE: The patterns are sized for the designs as they were made. If you resize the design, you will need to resize the pattern the same amount. You can print out the pattern at the normal size then copy it on a copy machine at the changed size. For example, resize the designs to 80%, resize the printed pattern to 80%.

TIP: When Printing the patterns, make sure that the "Fit to page" option is UNCHECKED in the Print Dialog Box. If this option is checked the printed patterns will not be actual size.

A fun collection of In the Hoop Mug Rugs #12547 which features half of them using a paper-pieced technique and the other half appliqué. Sun rays saying “Hello Morning”, a feather, and a cup of hot coffee are the paper pieced designs. The appliqué designs are a singing bird, a tea kettle saying “Sip slowly & Smile”, and an apple. Create a matching set using the same fabrics or mix and match using what you have on hand.

- For Appliqué Mug Rugs – Following manufacturer’s directions, use OESD Fuse and Fix on the wrong side of the appliqué fabrics. Cut out appliqué using the appliqué template provided.
- For the back pieces of the Mug Rugs – cut a 5 ½" x 11" piece and 5 ½" x 5 ½" piece from backing fabric. Wrong sides together, fold each in half and press.

NOTE: To hold the pieces together better and to create a more stable backing, press a piece of OESD Fuse and Fix between the wrong sides, and then peel off the paper backing and stick together.
