Smooth liss

Discover the beauty of smooth, silky hair

Quick Guide

Personalized Smooth Therapy™ Treatment

This customizable treatment is powered by plant-based amino acids and has the ability to define curls, smooth frizz, or straighten hair for up to 5 months.

KEY BENEFITS

- **Long-lasting results:**
Enjoy up to five months of beautifully smooth, frizz-free hair with just one application.
- **Frizz control**
Effectively tames and manages frizz, leaving your hair sleek and polished.
- **Stronger strands**
Helps strengthen the hair fibers, reducing breakage and promoting healthier hair.
- **Reduced styling time**
Saving you time and minimizing damage.
- **Vegan and safe formula**
Ethically formulated and free from animal-derived ingredients.
- **Zero downtime**
You don't need to wait to style or wash your hair

AFTER

Smooth liss

Discover the beauty of smooth, silky hair

Smooth Therapy

Step 1 - Wash the hair

Wash with **Home Shampoo** to remove dirt and styling product residue from the hair.

- Gently massage the shampoo into the hair.
- Leave it on for 5-10 minutes.
- Rinse thoroughly with plenty of water.

TIP: For very curly or dirty hair, repeat the procedure

Step 2 - Blow-Dry

Dry the hair 100% with the hair dryer.

Step 3 - Apply Smooth liss Lotion

ATTENTION! give the **Smooth Liss Lotion** bottle a good shake before applying it

1. Divide the hair into 4 sections.
2. Start by applying to strands from the nape of the neck (image area 1).

Recommended amount of Lotion:

Hair length	Product quantity
Short 15-30 cm	40 ml
Medium 30-45 cm	60 ml
Long 45-60 cm	80 ml
Extra-long + 60 cm	100 ml

3. Distribute the product from the root and spraying along the length of the strand until you reach the tip.
4. Massage with your finger for better product penetration and comb through the hair.

Leave-in time:

Hair type	Leave-in time
Coarse, resistant or natural	50 min
Cosmetically-coloured	40 min
Fine, damaged, bleached, natural grey.	30 min

IMPORTANT! cover hair with plastic cap or cling film.

Step 4 - Rinse the lotion

Rinse Smooth Liss Lotion thoroughly with plenty of warm water. **(DON'T USE SHAMPOO)**

Step 5 - Blow-Dry

Dry the hair 100% with the hair dryer.

Step 6 - Flat iron

Flat iron (See chart for desired service):

Divide the hair into 4 sections.

Start ironing one lock at a time from the occipital area.

Sublime Straightness /Semi-Permanent

Sections: **VERY FINE (0.5 - 1cm)** Speed of flat iron: **SLOW.**

Hair type	Temperature	No. of passes
Coarse, resistant or natural	230°C	12 - 15
Cosmetically-coloured	230°C	10 - 12
Fine, damaged, bleached, natural grey.	170-190°C	8 - 10

Smooth and frizz-free hair

Sections: **VERY FINE (0.5 - 1cm)** Speed of flat iron: **SLOW.**

Hair type	Temperature	No. of passes
Coarse, resistant or natural	230°C	8 - 10
Cosmetically-coloured	230°C	6 - 8
Fine, damaged, bleached, natural grey.	170-190°C	4 - 6

Frizz Control - Curl Opening

Sections: **MEDIUM** Speed of flat iron: **FAST.**

Hair type	Temperature	No. of passes
Coarse, resistant or natural	210°C	2 - 3
Cosmetically-coloured	190°C	2 - 3
Fine, damaged, bleached, natural grey.	170°C	1 - 2

IMPORTANT: If the hair is fine, fragile, white, gray and/or chemically processed hair, flat iron hair at 350° F (180° C) using four to six passes and increase the temperature and number of passes only if necessary. Some people who use at-home hair color, direct pigments, changed their hair color or have colored their hair may experience a shift in colour - **COLOUR** - If you're looking to add colour during the treatment, here's a **PRO TIP:** After the step 6 (flat iron) - Make sure to thoroughly wet the hair with water to balance its pH, blow-dry, then apply your desired colour.

After Care: Tips for Keeping Smooth Liss Treatment Fresh and Fabulous!

- Use our Smooth Liss Home Care products (Shampoo, Mask, and 14-in-1 Leave-In) to extend and enhance the effects of the treatment.
- Activate the smoothing effects by blow-drying your hair with hot air after each wash.
- Maintain luscious and vibrant locks by repeating the treatment every 2-3 months.
- Enjoy the freedom to style your hair immediately after the treatment - put it up in a ponytail, bun, or wash it without any waiting time. **Your beautiful, smooth hair will be ready to go!**
