

Concrete Finish Porcelain Paving has a subtle, contemporary look which complements any space. Porcelain is an extremely hard wearing and ultra-strong material, and with very low-porosity, it won't diminish or stain over time.

- Range of tile sizes to choose from: 60 x 60 x 20cm, 60 x 90 x 20cm, 60 x 120 x 20cm and 80 x 80 x 20cm (refer to page 2 for details)
- Anti-slip and frost-proof
- Non-porous material: protected from staining and fading
- Require very little maintenance
