INNER GLOW™

AGE DEFENSE VITAMINS

Powered by Polypodium Leucotomos, Age Defense provides next level protection against skin damaging UVA & UVB rays.

Combined with its scientifically formulated mix of skin-supportive antioxidants & pycnogenol, Age Defense protects elastin and stimulates the production of collagen for younger looking skin.

PATIENT CONCERN: **MELASMA**

Both patient's melasma became significantly lighter with continuous use of Inner Glow Age Defense Vitamins for 12 - 16 weeks.
